“ I am just learning of Jay's passing and am heartbroken. I had been trying to reach him and I couldn't understand why I wasn't hearing from him. He was a great friend, one of the most intelligent and well-rounded individuals I've ever met. He had the best laugh! Lots of great memories I'll never forget. Condolences to his children and family, almost a year later. ❤️

“ I have never had a friend like Jay. I always considered him more of a brother. He lived with me on my farm for awhile. Those are some wonderful, fun and crazy memories and I wouldn't trade them or any other memories of Jay. My love for him lives on. MVR

“ I never had the opportunity to meet Jay. My husband worked with him at Pete' house and said how great of a guy Jay was. When we heard the news, we couldn't believe it. I am terribly sorry that this happened to such a great human being. He was loved by so many people and I see that. Fly high Jay - You will never be forgotten. ☐ 😞
