“ *Jim D came into my life when I desperately needed a friend. I guess he saw that in me and approached me at a meeting. We connected instantly. During his time in St Louis we were practically inseparable. Jim showed me that I was only limited by my perception. When I struggled he didn't hesitate to share his experience and how he overcame his adversity. He was a true light in my life when I needed it. He will always have a place in my heart.*
