“ I met Jim when I was 10 years old, we moved in beside his family and we have been friends ever since. Almost 60 years of best of friends. You could not have asked for a more loyal and true friend than Jim.

We had a lot of fun growing up, riding our bicycles all over town, playing at the park, sleigh riding in the winter. When school was canceled because of snow, Jim and I would be out knocking on doors to make money clearing their sidewalks. We had good times at Bill and Judy's farm riding horses and camping out....a lot of good memories.

As we grew older , our paths we took didn't allow us to hang out, but we never lost touch as we grew older.

Jim was one of the best drivers I have ever known, his expertise allowed him to travel in the worst snow storms and the largest mountains, and of course the large cities of this country. He truly loved to drive.

I will always have good memories of Jim and a smile for each memory I bring to mind.

Jim fought a long time with his illness, he won time after time, but this time it was not to be. Rest now my brother, fly away to a new beginning.

To Ruth Ann and the kids , I share your loss, may God be with you and comfort you in this time of loss.

Jim's friend. Chuck Merrill
