“ *I knew Jimmy in the '40's. We lived just 3 houses away from each other. I just found a photo from back then and thought I'd look him up. (below see that photo).*

I am so very sadden to learn that he has passed. Some of my fondest childhood memories include Jimmy and his family... from Carrie St, to Sacandaga. My condolences to his family.

“ *I knew Jim from school back in the late 50's, early 60's in Schenectady, New York. He was a very athletic and ambitious young man. It saddened me to learn that, not only had he died, but his younger sister had passed as well. Our thoughts and prayers go out to his beloved partner for many years. I'm sure he will be missed. It was quite by chance that I came upon his obituary and it brought back many fond memories. Joyce Livingston*
