My heart is with you. And special hugs to you, Annie! I know how much you and all your sisters loved that brother of yours - and for good reason. I'm thinking of you all and sending love and warm wishes your way. Lisa Fitzpatrick*

“ *The Turnbull family was saddened and shocked to hear of Jim's passing. Jim and I have been friends since high school and many of those fond high school memories that still put a smile on my face involved Jimmy. We reconnected when he bought the cottage on Silver Lake and it was like our friendship never skipped a beat. That's the way Jim made you feel because that's the kind of guy he was. My life has been much richer from knowing Jim Gorton. Our condolences go out to Judy, Kate, Ann and the entire Gorton family.*

“ I am so sorry for Jim's family's lost. I met Jim many years ago
playing on the Gordon & Oberly softball team. We all played
together for almost 20 years. Jim was always a happy and good
man. How could he not be happy with 4 loving sisters! Jim also
introduced me to bocce ball! I even bought a set to play with friends.
Even though I haven't seen you Jim since you left Alaska you will
always be in my heart! You will be missed! Rest In Peace my friend.

“ I'm very sad to hear the news about "Jimmy." I have many
memories as neighbors on North Spruce St in Batavia and playing
together in our early youth, to summers swimming at Godfreys
Pond, to frequent rounds of golf at Stafford CC in our teens. Too
many great memories to list.

My condolences to the family.

“ Jim and I were best friends growing up in Batavia. On the golf course or at the Golden Poppy playing Cardinal Puff, the memories are too many to list. Had the chance to reconnect with Jim just this winter. Judy, my heart goes out to you and Jim's family.
