“ *I will forever remember our walks to the harbor. You would talk to me about everything, play jokes on me, and get me a pack of baseball cards with the gun inside. I'm a better man in life because I've known you.*

“ Thanks for the memories. Your sense of humor and silly antics will sorely be missed. You taught me a lot about fishing. I'll miss our spirited political debates, long walks on the beach to the lighthouse and drift fishing for endless hours across Hamlin lake.

Love, Ron

“ Dear Uncle Jim...I will miss you so much. I loved the time we spent together. I loved our walks..on the beach. And the hot dogs and beer, we had afterwards, at Doc's. God's blessings and comfort. To your family, at this time of loss.
