“ Dear Anna - Whenever there was a holiday, the Bealor-Myers-Ellington families would gather in Hyattsville or on Emerson Street in Landover to celebrate. As the second oldest cousin, Larry (Jim) was often the ringleader for a laugh-filled time. As the years passed, we all went separate ways but never forgot those special times. As life worked out, his life with you in Florida was most important (in spite of the hurricanes!). Thank you for the happiness you brought to him. We will always have wonderful memories. “ Dear Anna,

I was so sorry to hear of Jim's passing. Over the years, time and distance have prevented us from being closer to him. As cousins, my sister, brother, and I have wonderful memories of our childhoods in Maryland. We are grateful to you and your family for the wonderful life he led in Florida.

My heart is with you in this challenging time, and I wish you comfort and peace.
