“ *James was my youngest brother. I will miss you especially during football season. He was the only one of the family that liked Miami Dolphins. Always argued about the Cowboys. He lived life to the fullest fly high brother . ❤️🙏🙏 we shall see you one day .*

“ *James was one of the finest young men that I've ever meant. He did several jobs for me and we became friends. After work we would set and talk for over an hour. He also made friends with my son. My wife and I felt like he was part of our family also. He will be greatly missed. Our prayers are with his family.*
