“ *Jim;*

You have reached the pinnacle of YOU. You are now in a PERFECT place where there is ultimate tranquility. By the way do check out the local “Heavenly Golf Club”. Remember your club’s ID “Two-Put Tuck”. This course’s rating is listed as perfect 100 and the poor earthly Augusta National, St. Andrews et-al. didn’t even make the cut.

Now Kumar has a friend not only for life time but in Elysium as well. It is Nirvana.

Morag will always remember you whenever she orders “Liver & Onions”.

OM shanti shanti (meaning Peace be with ALL)

“ To my dear friend Jim Tucker: You will be sorely missed my friend.

*You get to tee it up with the big guy above
Where the fairways are wide
God will be by your side
there will never be a miss
in a round like this
Putts will run true with just the right break
Birdies and eagles will be yours to take
Play, play my friend round after round
and just remember you were this best friend i ever found.*
