“ Dear Reggie and family,

I was so very sorry to learn of Jan's passing. I knew her well throughout our high school years, and she was always such fun to be around. One cherished memory of have of Jan was when she gifted me with a hand-quilled necklace of flowers that she had made. I've never known anyone before or since who quilled, but the necklace she made me was colorful and beautiful -- just like her. I treasured it. May the God of all comfort give you his peace.
