“ *Jayne, I was so thankful that you met us for lunch when I went to Florida! It was so great visiting with you about the memories when you and I were younger. Thanks for making me laugh! I am also so thankful that you met us at the flea market and walked around there with us! We had some great laughs there that day as well. Those are memories that I will forever hold in my heart. You are such a beautiful person and I am so honored to call you my cousin! R.I.P and I know you are watching over all of us! I love you! Paige.*
