“ *Jean was the "Special Sauce" in Dr. Rushay's family practice. She and the Doctor seemed to be the fascinating example of yin and yang in their workplace environment. It was a sad day for many patients when they headed into retirement. I hope they had many good years and are back together once more. I send my heartfelt condolences to Jean's family. She was such a lovely person, and I'm glad I was able to know her.*

“ *Just a note here.....I am so sorry to read about Jean's passing in the newspaper Sunday morning. My sympathy and prayers go out to her family. Jean was a good friend of mine years and years ago, as we readied the altar on Saturdays at Redeemer Lutheran Church in White Bear Lake back in the late 50's. We were a good team. We lost touch with each other years back, when we moved out of the area. She was a very loving person and will be lovingly welcomed up in Heaven. May she Rest in Peace.*
