“ My condolences to Jeff's family and friends. He lived next door to my parents in PA and when I visited from FL, I also visited with Jeff. At his jam sessions, either in his basement or on his porch, my dog, Chloe would sit at his feet. I really enjoyed listening to his music, he even gave me a CD. I'm sorry that he is gone too soon, but glad that he made the move to FL, as that was all he talked about ... getting out of the cold. Now he can bask in the warmth and glory of our Lord, singing his praises. Peace to all.
