“ *Dad, I miss you, All the memories you have left me with, will be with me forever. I will try to live up to the man you were and pass all the knowledge you have instilled in me and pass it down to my kids and grand kids. I hope I can be half the man you have been. Your loving son, Paul*

“ *Dear Uncle Jerry,
Your laugh was so special to us all, and I fondly remember it helping us get through Grandma Harlan's funeral with your "chicken stories"! You will be missed by everyone, but I know you will have fun in heaven laughing with Jesus!!
Love, Peggy (Lang)*

“ Jerry was one of the "spirits" that made our St. Monica parish a family, a welcoming place in a fast-growing community. Through his warmth, his ability to share of his faith, his willingness to help others, he was a role model for others on how to be a man of God. Quietly, by example, he showed us the way. He also was good company and a lot of fun. We missed him when he moved away from Indy, but he's not forgotten because his spirit continues among those who knew him. We join our prayers to yours as you send him to Heaven. Margot Bradbury

“ Back in the 90's, when the traveling missionary image of Our Lady of Guadalupe came to St. Monica's Catholic Church, Jerry led our parish community in a prayer service in her honor...to welcome her. How appropriate it is that his funeral liturgy is on Our Lady of Guadalupe's feast day. May she and her Son welcome him home.

“ Anne, it was so good to see you and Jerry when you came to Indy in September. We never saw a lot of him, so I'm particularly happy we were able to see both of you so recently. His strong faith and wonderful hearty laugh will be among my fondest memories of him.

Paul, Joe, Tim, and Gary...so very sorry for the loss of your dad. He and Mom (and of course Aunt Betty) had such good times together on their trips to Springfield.

Sending love and prayers to all of you.

“ I am so blessed to have had my brother Jerry for 83 years. Our shared faith in our Savior Jesus, and our gift of laughter helped us stay close to each other even though we lived miles apart. Shirley McCarthy
