“ *Jerry was a very sweet man who always greeted me at Gospel Baptist Church with a smile. He was a kind and godly man. He must have been a very decisive man because when he met Flo, it was love at first sight, and he married her very soon after. For two days short of 63 years they were married and led a good life together. They were such a sweet and inspiring couple. RIP, Jerry.*

*Jerry Cox A precious guy with so many stories they couldn't all be told. He and my Bob were great buddies When Bob was able Jerry would pick him up and off they'd go to Monday Morning Men's breakfast. Always an hour early so they could talk and be heard by each other. They both had hearing problems so without the rest talking they could talk and understand 😊. When Bob got to where he couldn't go anymore, Jerry would come and sit with Bob!! We enjoyed having meals with them and especially got to know them during Hurricane Erma!! Hope he and Bob are having a great time in Heaven. No more breathing problems ever again. Love you Jerry*
