“ *It was my pleasure to sell Jerry and Kay a boat in 2004. They weren't customers, they were friends. Rest well my friend.*

“ *I'm going to miss those Thursday afternoon conversations with Jerry on his back porch at the lake house while Kay was fixing his fried fish that he caught earlier in the day. We would enjoy a cold beverage after I finished their landscaping. This went on for 5 seasons. Rest In Peace my friend. My condolences to Kay and the girls and the rest of his beloved family. Mark*
