

Jessie Margaret Fagan

March 29, 1920 - January 16, 2014

Jessie Margaret Voss Fagan, passed away January 16th, 2014 in Naples, Florida

which had been her second home for over 40 years. She loved the sunshine and warm weather as well as the family farm in Prairie du Chien, Wisconsin where she was born to Jesse Voss and Esther Margaret Sunney Voss on March 29, 1920.

Jesse, her father, predeceased Jessie, his baby girl by 2 weeks with pneumonia. She became his namesake and continued to thrive in her extended family of mother, 2 uncles and her grandparents. Also living in this small farming community was Jack Fagan, who was to become her lifelong love & husband of 75 years. Their Anniversary was celebrated this past November 5, 2013.

Raising a family of 6 children, supporting her ambitious husband and volunteering in any capacity that requested her organizing skills and loyal commitment filled most of Jessie's time in Delavan, WI until well into the 1970's. With a nearly empty nest she was able to finally enjoy the world travel and golf that she loved, and sharing her heart and inexhaustible energy with family in both Wisconsin and Florida. Jessie and Jack enjoyed their Florida homes in Park Shore and Grey Oaks before settling at Arbor Trace in Naples in 2006. Jessie enjoyed continued independence until moving to Arbor Glen,

Assisted Living Facility in December of 2012.

Jessie was preceded in death by an infant son James-1944 and an adult son Tom in 2011. She is survived by Jack, her husband of 75 years, 5 children: Pat and wife Carol of The Villages, FL. Mike and wife Marilyn of Janesville, WI, Mary Jo and husband Bill Anderson of Naples FL, Kelli and husband, David Westbrook of Little Rock, AR and Jim and wife, Signe Fagan of Janesville, WI. She is also survived by 13 grandchildren and 9 great-grandchildren.

Jessie was the most selfless, thoughtful and giving Wife, Mother, Grand and Great-grandmother imaginable. She will be in our hearts forever and will always be missed.

“ *To The Entire Fagan Family: It was with great sadness that we learned of the death of wife, mother, grandmother, great-grandmother, and friend to all Jessie. When Bill and I were married (1974) we were invited to Jack & Jessie's in Florida. I got a bad sunburn and Jessie took on the role of nurse as though she was my mother. She got me on the mend really fast so we could enjoy the many sightseeing expeditions we went on when we were there. I did not have much cooking experience as a newlywed and Jessie let me help her prepare meals while we were there and taught me a lot. I am still using her recipes. We will be making a donation to Avow Hospice in honor of Jessie. May you all find comfort in the days ahead knowing that Jessie lived a wonderful life and was always happy!*

“ Bonnie and I didn't have a lot of opportunities to share time with
Jessie, but whenever we were blessed to be in her presence you
could tell that she loved her family dearly and that she was a very
content and happy lady. Just delightful to be around. We will miss
her.
