“ *Sad to here if Joan's passing, I was in my early 20's when I worked At Bidermann industries, I remember Joan was the Mgr, I worked in the office doing the accounting. I remember she was very tough on the exterior but inside she was a very caring person. I met Gene several times when he would come by. They loved each other very much. She spoke very highly of her kids. May they Rest In Peace*

“Joan and Gene were the most giving and kind and caring people who made me feel as though I was family. I met Joan at Secaucus as I worked at the Hilton and the rest was wonderful history with so many laughs, dinners, and good times- they both loved life! Joan was like my second Mom - always concerned and encouraging. Joan especially would always take care that I would get the best managers' discounts at the outlets, making sure I hosted the outlet association meetings, and joining me for a table at the most memorable Parsippany Hilton New Years Eve Ball. We used to keep in touch through writing and phone calls and as she put it we always just picked up where we left off.

Both Gene and Joan were always so welcoming to me and then to my wife Mary Ann and always asked about my children as well.

They will always be remembered as great models of real love for each other and so dear to me as I am sure they were to so many. I am grateful to have known them and they made a difference in my life by their love.

I hope this, although so delayed, will express my sincere condolences to Robin and Michael and help them know how important their parents were to many.

“ To say we loved Joan and Gene is an understatement. They were part of our lives for over 30 yrs and we were always in contact
I (Tony) worked with Joan in Secaucus on many events. It was because of Joan that we chose to buy here in Naples We enjoyed infinite amounts of dinners and even to the last we were together. We took Joan to the hairdresser on Wed before she passed and visited Gene in the hospital the day before he passed and we are happy for that.
May they both rest in peace and may their memories be for a blessing
Tell Megan that Grandma and Grandpa spoke lovingly of her
To Robin , Michael and Megan we send our sincerest condolences

“ Joan and Gene are missed beyond words I can express. I'm very saddened by their loss even knowing they are together in heaven. It is still a shocking loss. I have so many wonderful memories in my thoughts. They were great friends of both Michael and myself and the reason we ever knew of Bonita Bay. And moved there while they were building their beautiful home. All of our friends and contacts were through them. I could always count on Joan for an answer or thought to an inquiry I had.
I can't believe that I can't speak with them or see them anymore when I go to Bonita. They were some special couple.
Joan shared with me so very recently how she and Gene never spent more than one night apart since they married.
They were each very capable and independent people until they became ill. For Joan that was so very recent.
My condolences to both RobinJill, Michael and Megan.
