

Joan E. Casey

December 14, 1938 - February 5, 2022

Joan Casey, daughter of Uldene and Dominick Capuciati, passed away peacefully on February 5th, 2022 at the age of 83. Joan was born in Queens, NY and raised in Ivoryton, CT. Joan leaves behind her four beloved siblings, her older brother Peter and younger sisters, Nancy, Rose Marie, and Shirley.

Joan graduated with an English major from the University of Connecticut. In a relatively progressive decision for the time, Joan returned to NYC upon graduating, taking a job at the Ford Foundation. It was in NYC where Joan met her late husband of 49+ years, Jack Casey.

Joan had four children within five years while still working at Marketing Action, impressively keeping things on track both in the office and at home. Joan was a caring mother and is survived by her four children, Sean (Laura) Casey, Kevin (Meghan) Casey, Christine (Patrick) McCarthy, and Sharon (Todd Ertel) Casey; and five grandchildren, John, Kelly, Morgan, Jackson, and McKenna.

Joan was delightfully social and well-liked by all. She was recognized for her intelligence, charming personality, and especially her positivity. Joan had a keen sense of adventure and loved to travel to all corners of the world with family and close friends. She was an avid social sports enthusiast, playing tennis, paddle, golf, and other sports. In paddle, she often referred to her and her partner's dominance, noting that her partner was a lefty! When she was

not playing sports, she enjoyed watching her U Conn women's basketball team, as the Huskies usually triumphed on the court! Her sharp intelligence was easy to see by anyone who played bridge with her. Joan's bridge skills were recognized as she achieved the coveted life master bridge status in 2003. She will be missed by many that were fortunate enough to know such a special woman.

“ *I have so many wonderful memories that it is really hard to find one or two to share. Joan and Jack accompanied my husband and I on several cruises. Jack was in a wheel chair and my husband Ken did most all the pushing on the cruises, giving Joan a break. We would all four rent a taxi and ask the driver to give us a tour of the place we had parked. The taxi drivers made wonderful tour guides, knew more about their piece of paradise than most of the "actual tour guides" We had great times. We also spent most thanksgiving dinners together at our house, If we had family, they would join in also. I remember meeting John (their grandson) when he was still in a baby carrier. Met all their grandkids at very young ages. Not sure they ever got to meet all ours (23) but they got to know a fair share. Our families have been intertwined for over 25 years and I will miss Joan a great deal.*
