“ *Dear Dick,
Wayne and I are saddened to hear of Joan's passing. The years seem to have flown by but memories will always remain. Joan was a most pleasant, friendly and quiet girl, and we always seemed to pair up as partners in pinocle. She certainly will be missed by you and your family. So sorry for your loss. Fondly, Wayne and Joan Seeger*

“ Dear Dick,

I am so very sorry for your loss. I know how important Joan was to you, as your partner, mate and friend. You took such good care of her. I so enjoyed working with both of you, when we sold your Guilford home, and I have missed chatting with you. Please make certain to let us know, here in CT, where and when services will be. If they are not far from Guilford, I'd so very much like to attend. Thoughts and prayers for you and your children.

*Sincerely,
Blythe*

“ So sorry to hear the sad news. She was a bright and friendly face in Indian Cove and will be missed. Your house was one of my favorite stops when out walking the dog or my children because I always looked forward to a smile and a chat with her.
