“ Dear Peter,
Lee and I met you and Johanna while searching for a home in Naples. What I remember most was that we felt you considered us your friends as soon as we met. Lee knew Johanna was the realtor he wanted before we ever arrived in Florida. Her ambition and passion for her work as well as her life made her so enjoyable to be around. We truly looked forward to seeing you both when we came to Florida and always appreciated the Christmas cards that followed each year. We were saddened to hear of her passing and continue to keep you and your family in our hearts during this time.
Sincerely,
Lee and Debbie Wesson
