

John C. Fisher

March 16, 1941 - October 7, 2018

John (Jack) C. Fisher, 77 years old of Bonita Springs, Florida was embraced by the Lord after a long and courageous fight with cancer on Oct.7, 2018. He was surrounded by his loving wife, Karen, of 55 years and his 4 daughters.

John was a devoted husband and father, and is survived by his wife Karen, and his daughters Denise (Mark) Kast, Michele (Greg) Susko, Tracy (Mark) Davidson and Nicole (Tim) Hartner. He was a proud Grandad to 12 grandchildren and 2 great grandchildren; Nicholas, Brittany, Melanie, Lindsay, Lauren, Bailey, Blake, Kate, Emma, Kya, Cohen, Eli, Emerson and Sloane. John is also survived by doting sisters Garnet Walsh, Sandy Eddy, and Donna (Mark) Loftus, as well as many nieces and nephews.

John was born March 16, 1941 to Donald and Della Fisher in Robinson, Pennsylvania. He grew up in Akron Ohio, where he graduated from Central High School in 1959. Always brave and strong, John joined the military after graduation in 1959, and served with the army in Germany until 1961. He then started a family and raised his four daughters in Jackson Township, Ohio, before moving to Westerville, Ohio.

Prior to living in Bonita Springs for the past 8 years, John retired from OCSEA, where he was president of PERU in Westerville, Ohio, and preceding this role was employed at BF Goodrich, for 20 years in Jackson Township where he

was vice president of the union. He also served as the President of the Men's Golf Association at Highland Woods Golf Club in Bonita Springs.

Jack is remembered by his friends and family as a dedicated Ohio State Buckeye fan, that bled scarlet and grey, and loved watching the Buckeyes each Saturday. He was an avid golfer, scoring a hole in one this past year at Old Corkscrew Golf Club on hole 2. Golfing was a passion of Jacks that gave him joy, which he has passed down to his grandchildren.

“ John was my labor union buddy and inspiration at OCSEA if you would say how is it going John he would respond "I never had a bad day" he truly lived by those words, no matter what the day brought he was always in a good mood and very up lifting. We loved playing golf in as many labor union outing as possible. He was also the president of the internal labor union's, union, PERU and through his leadership we got a lot accomplished. To Karen, the girls, all his grandchildren and family know that John was a very special and wonderful man who will be truly missed by all who had the privilege to meet him and know him.

May our Lord Jesus Christ bring you joy in this moment of sorry. Stay strong and prayerful. Our faith tells us that John is now with Our Heavenly Father and he is in good hands.

God Bless you all.

“ On October 7th, I lost my grandfather, father figure and Hero. I will carry his love with me for the rest of my life and use his life/teachings for guidance on how to live a successful life with family first. I'll miss our Ohio State and Golf Recaps. The phone call I received after you hit your hole in one, will be one I will cherish forever! I'll really miss your advice because you would give it to me straight even if I didn't want to hear it, but needed too. I remember once, I called and told you that was having trouble with a group project and you related it to work. "Now, Nicholas there are two kinds of people: those who do the work and those who take the credit. Always try to be in the first group because there is a lot less competition and true colors will show eventually." This has stuck with me for the past 10 years. I'll miss family game nights (Euchre, Hand & Foot, Mexican Train, Sequence, Checkers and Play 9). But the thing I will miss the most though are your hugs and hearing you say there's my boy/hey buddy. You will never be forgotten! The world has gotten a little darker, but you will forever live in my heart and thoughts. I know our family will be glowing with your love living in each and everyone of us. This is not goodbye, but see you later! Love you and miss you Granddad!

“ I'll miss the look on his face when I played a double in Mexican train and couldn't clear it and he couldn't either and he'd have to put a penny up & then he'd look at me and say, "did you really just do that to your granddad?" Love and miss you❤️

“ From walking me down the aisle on my wedding day to the day i was in the hospital in labor with my first baby..while uncle Jack and Rick installed air conditioning in a very hot house that August day, Uncle Jack has always been there. His passing has left a huge void in the Fisher family.
