“ *I remember John as a young handsome mischievous boy many years ago on the streets of Cape May. Back when Uncle Bob, Aunt Joanne and Aunt Dottie were still with us. We had such fun and we loved every chance we got to spend those hot summer days in New Jersey with our wonderful cousins Anna, Ellen, Eddie and John. Running back and forth from Aunt Joanne's house to Aunt Dottie's and enjoying just a glimpse of the life they lived in that wonderful place, so long long ago. We will miss you John but we will never forget you. You are in our hearts forever. Rest in eternal peace. With so much love across the miles to Anna, Ellen, Eddie, Sean and all John's family. God bless you all. Phyllis (McEneaney) Saraceni and family*

“ *Memories of John and Eddie already on punishment, making and tossing paper airplanes by the dozens out 2nd story window. Mom making them go out in skivies to retrieve them, locking them out. More recently my brother telling me what a good person he thought I was. So many memories of you brother, may you rest in peace!
