“ Hello, I'm sorry to hear about John's death. My great-grandfather was Grandpa John's brother. Their name was Jaroszewski and they came from Poland. I can share my knowledge about family history. I would also like to find out what life our ancestors led in the USA. John was certainly a wonderful man, like the other members of the Jaroszewski family. Maybe you have a photo of Grandpa Joh or John. I have photos taken in the USA. Unfortunately, I don't know who is on them. I'll be happy to share them. Maybe thanks to you we will be able to identify the people in the photos.

“ To the Jarke family. Condolences from the Henning family. Was just eating some orange cookies that we still make from Sally's cookie recipe and came across this. Thanks for taking me in, watching over me as a kid and taking me on your family vacations. Marty Henning

“ Jack (Pops), you will be missed by your family. Your daughters, Debbie and Teri made sure your last wishes were taken care of. When Jack and I visited you, we could see that your head was all there, just your body was giving out. So glad we have the memories of lots of laughter, and loving time we spent with you. May you rest in peace. We love you. 💕
