“ *So very sorry to hear of Ray's passing. I worked for him many years ago and we always managed to stay in touch through the years. Ray loved his wife Judy and his family very much and always spoke kindly of them. He was a good friend for many years and I will always remember him for his humor and of course his birthday and Christmas cards. He never forgot! My prayers and thoughts are with the family. God Bless You all.*

“ *Judy,*

We are so sorry for your loss. I know my parents cherished your friendship for all those years. They always looked forward to your yearly "weekend" celebration. May those memories provide some comfort during this difficult time.

*Fondly,
