“ Wanted to share my memory of John but lost the page. I was Marilyn McKay when I knew him as Jackie, brother of Audrey who was my friend all through school. My Grandparents took my brother and I in when our folks divorced and we lived downstairs from the Lewickis. M/M Lewicki were always kind to us and I recall Mrs. Lewicki's pierogis! Audrey , Valerie and I played school and spent a lot of time in the attic wearing Mrs. L.'s heels and purses,pretending to be ladies. Jackie stopped a serious situation when he came in one December night before Christmas and saw our Xmas tree afire. He came in and wrapped the drapes around the tree and prevented what could have been a tragedy. I wish I knew he was so nearby...we live in Naples. Audrey was very dear and left this life all too early, and I am sorry I didn't have a chance to thank Jackie again. You have my deepest sympathy at your loss. Sincerely, Marilyn McKay Jannusch
