“ *Aunt Irene, Dora and Jennifer..... I was very taken back when I heard and my deepest condolences to you all. I know its been a long while and I am very bad at keeping in touch, I am sorry. Jackie had a BIG heart, I remember that about him and I would be lying if I didn't say that his passing has hit me harder than I thought it would have.*

He is with family and not sick any longer smiling down on all of you. I know he will be missed by all of his family and friends. All our best to you all

Love Steve and Laura
