“ *I am so sorry to hear about the passing of John. I was a classmate of his at SUNY Brockport. He was always friendly with a nice smile. I moved to Fort Myers in 2011 and he contacted me, suggested we get together for coffee. I'm sorry to say that we never did. My sympathy to his family and close friends.*

Susan & Entire Family of "Johnny my man Stillwell" as Jeff Factor would call him. John was a fun loving man who enjoyed sharing his cigars, wine and most of all his funny stories and deep laughter. My condolences to each of you, but do, hold close in your heart, his pain is no more and he and Jeff are now together in their eternal lives of adventurous journeys. My heart is with each of you as you struggle with your loss. John will forever be a part of each of us. Peace to each now and forever.

“ Find memories of Johnny with Sillwells and the Ruddys next door neighbors for 30 years. We had self made baseball and basketball teams let alone snowball fights and hide and seek with 12 kids between the two houses! A kind and generous spirit just like his Mom, Aunt Teresa! I loved his laugh and that's how I'll remember Johnny, my cousin. May God Bless him and welcome him to his kingdom. 💙 Your cousin Judy Ruddy Rowlands. 6/29/16
