

John W.C. Weigand

February 22, 1940 - December 16, 2023

John W. C. Weigand, age 83, was born on February 22, 1940 in Slayton, MN and passed away peacefully at home on December 16, 2023. Formerly of Oak Park, IL he had been a resident of Bonita Springs since 2005.

“Jack”, as he was known by many, began his education at age five in a one room schoolhouse, and graduated from Illinois Institute of Technology in 1970. He worked for 34 years as an electronic engineer at Zenith Corporation, during which time he secured patents on his designs. He also served honorably in the United States Air Force as a radar operator from 1960 to 1964. He was an avid reader, a good bridge partner with his wife, and greatly enjoyed playing tennis with his buddies at Zenith.

He will always be remembered as a kind, compassionate, and loving man with a sharp sense of humor and the ability to fix almost anything. He was hard working and honest to a fault, and was always willing to lend a hand to friends and neighbors at his long-time home in Oak Park, IL. He was cherished by his family and was the best husband, father, and grandpa anyone could ask for.

He is survived by his wife of 55 ½ years, Karen (Riggs) Weigand of Bonita Springs, FL; daughter, Jennifer Dominguez of Naples, FL; grandson, Alexander Dominguez of Naples, FL; and brother, Steven Weigand of Marion, IA. He was preceded in death by his parents, William and Grace Weigand; his

sister, Mary Weigand; and his brother, Daniel Weigand. He is truly loved and will be greatly missed.
