“ Hey, Mr. and Mrs. Consolo, It's been a very long time and I'm not sure if you guys will even remember me. I grew up in Swp and was friends with Joe, we were prob 8 to 10 years old and I would always come over and play coleco vision (video game). I have good memories of Joe. Through the years I would always think about you guys and always had good memories and I just found out through Facebook talking to Steve Martino on Joey's passing. I am truly saddened about his passing and I just wanted you guys to know I will pray for for you guys and Joe's wife and children. Sincerly Christian Storlazzi. Swp...610 721 4305

“ I will always be thankful that I had the privilege of knowing Joey. He  
was elegant, thoughtful, warm, kind, loving, and dependable. He  
treated me as all the Consolo family has, as one of their own. One  
never forgets kindness shown to them. I can only briefly reflect on  
his family's loss and my heart is brought to wailing for their  
suffering. He is with God's glory and I will miss him until it is my  
time. May God grant the Consolos peace and comfort in the  
knowledge that they raised a fine son and brother, an exceptional  
father, and a beautiful friend. Betty Sordo

I will always remember him (and all of you) with such love, affection, and respect. He brought so many smiles to my face in the short time that we spent together, and I will forever cherish the memories I have of being around this wonderful young man and his amazing family.*
