“ I have so many fond memories of Uncle Joey. As many may or may not know he is my God Father, as well as Aunt Carol being my God Mother. I remember as a child staying with them at their house in Watchung. I also remember many times staying with them over the summer at the house in Stewartsville. Uncle Joey would always scare me. I was such a nervous nelly and he would just have so much fun scaring me and Aunt Carol would be my protector. I remember the many times that we would go to spruce run in the evenings and just sit and talk, or they would come to our house in Union Township and we would stay up talking til all hours of the night. They definitely were the good ole days. Uncle Joey was the type of man who always wanted to help you out with something and he was so knowledgeable in many areas that he was our go to man. Uncle Joey, I know that I will see you again some day, and until that time you will be terribly missed.  
All my love to Aunt Carol and Gina
