“ *Hello, sorry for your loss. My name is Tamara Ann Ravenelle. I was just wondering-could there be any relation?

“ *Although we have lived in opposite sides of the country, Joe and I used to keep in touch on a regular basis. We used to reminisce about our days as young boys and all the mischief we, mainly him, used to get into.*

We will miss him, especially now that he is gone, I don't have any brothers to communicate with. I am happy that he thoroughly enjoyed his retirement years in Florida, together with his "lady" as he used to call Maryanne.

He will be missed by his family and close relatives.
