“ *What a beautiful person inside and out. She cared more about others than she ever did about herself. What fun we had playing bridge with her and Bob. Love you both.*

“ *Judy was a very special lady. Her smile could light up a room. I will miss our walks in the woods while she would be ringing her little bell to ward off the bears. It brings a smile to my face because we never stopped talking and I'm sure if there were any bears, they heard us and were long gone.*
You will be missed.
