October 31, 1952 - February 13, 2026

Judith Ann “Judy” Greenwald, 73, of Bonita Springs, Florida, passed away on February 13, 2026, at her residence after a courageous struggle with cancer. Greenwald (Amanda) of Perth, Australia, and their children, Sarah, Benjamin, and Theodore “Teddy” Greenwald; and Jesse R. In addition to her parents, Judy was preceded in death by her two sisters, Vicky Shimamoto and Linda Deters.

“ I remember Judy and her mom and dad as wonderful people with great smiles and joyous laughter. We were best friends from seventh grade through 12th. The times spent with Judy were fun and filled with joy. There are in forever in my memory many many sleep overs, especially when Ron would come home from college for the weekend. She had her eye on him from the first time she saw him. We laughed and dreamed. We skied on the Mississippi River, tired out for Cheerleading together, were in gymnastics together, went on golf weekends with my parents, got the worse sun burn of my life on Spring Break Brownsville, Texas, with her parents, and joy of joy I was her maid of honor at her wedding. My brother Ron was then blessed for a lifetime with her. Judy made this world a better place and I am so blessed by every memory of her. With love, Gail Greenwald Radinsky

“ I have the best memories of Judy and the great times we shared in Kuwait. She was my best friend there, partner in crime (shopping at the gold souks), entertaining together, many times and sharing life over a cup of coffee. What could be any better. She's one of the kindest people I've ever met and I have treasured her friendship for years. She and Ron were a pair in that I cannot think of one without the other and that makes me smile. She will be missed but she was so loved and I send that love and thoughts to Ron, her sons and family. May she RIP.
