

## Judith M. Pittman

May 4, 1940 - November 5, 2018

Her welcoming smile has faded and her sparkling eyes have grown dim. Judy Giblin Pittman is free from her suffering with ALS. She went to be with her Lord on Monday, Nov. 5, 2018.

She was the wife of William (Bill) Pittman of Naples, FL.

She was born in Fall River, MA on May 4, 1940 to James L. and Elizabeth (McDonald) Giblin. She was preceded in death by her parents and brother, William E. Giblin.

Judy was so proud of her six children, Thomas (Indianapolis, IN), Joseph (Theresa) Redondo Beach, CA, William Jr. (Alice), Silver Spring, MD, Martin (Elizabeth), Leverett, MA, Ellen (Roland) Samimy, Coral Gables, FL, and Karen Pittman (Coconut Creek, FL), seven grandchildren and numerous brothers and sisters-in-laws.

She prided herself on her adaptability, especially in helping her family adjust to 10 moves resulting from Bill's corporate career.

She was proud to have returned to college after her children were grown and earned both a Bachelor and Master's Degree in Education from Wheelock College in Boston.

She and Bill retired to Naples 25 years ago. She was especially proud of the many adventures they shared on their power boat, Merasheen.

Judy was someone who saw God's face in everyone she met and was loved by all.

A Mass of Christian Burial will be celebrated on Monday, November 12, 2018 at 11:00 A.M. at St. John the Evangelist Catholic Church, 625 111th Ave. N., Naples, FL 34108. Burial will follow in the church memorial garden.

“ *Please accept my deepest sympathies for your loss.*

*In May, 1986 the Indianapolis 500 was postponed for a week due to rain. With that delay, Bill & Judy had an extra ticket so I was lucky enough to be invited. I vividly remember the end of that race because Judy was literally jumping with uncontrollable excitement as the announcer screamed "Rahal, Rahal, Rahal" and his car came screaming out of turn 4. When I moved to Central Pennsylvania in 1996 I learned that I had moved to Bobby Rahal country. He owns several car dealerships here. For the last 22 years, every time I drive past Bobby Rahal Toyota, a little voice in my head screams "Rahal, Rahal, Rahal" and I see Judy jumping. I can't help myself. Her joy was infectious and I am blessed to have known her.*

“ Bill and Family:  
We have so many memories of Judy considering we started in Kindergarten together. As adults we have had opportunities to spend time with you and Judy in our many addresses as we both moved about the country. What a joy when we moved to Florida and we could see more of each other. Judy, as always, had a smile and a hug. She was an incredible woman and we will miss her terribly. Our thoughts and prayers are with you and the family as you endure this difficult time .

“ Dear Bill,  
Judy's passing will never diminish the memory of her as a J.O.P. volunteer. Years ago when we took on the task of finding hosts for a Jamaican corneal transplant patient, you two were the very first to step up and offer your home as a welcoming place to a stranger in need. The impact of your response was so typical of people who never hesitate to try and make a difference in the lives of others. You inspired others to do the same. May the promise of Easter be your consolation, and the joy you and your children brought to Judy's life be your comfort in the difficult days and weeks ahead.

*Oh how I loved my (and our) beloved Aunt Judy. In her presence, I always felt that I was the most important person in the room when she set her sights on me (and on us). She used to run up and want to hug me as she did others. She made me/us feel so special. Whether it be at the West Island clam bakes, the Newfoundland trip in the 1970's, or any other cook out I felt so very loved by this wonderful woman (and Aunt). She was our gift from God. The most important memory I have of this wonderful woman is her love for Our Blessed Mother Mary. She loved her (and still does). I firmly believe she is now "home" in the arms of Our Lord and Savior Jesus Christ. Please (whoever reads this) follow her example - love Our Lord, love Our Blessed Mother and follow our beloved Aunt, Mother, Wife, and friend Judy Pittman so that we too can experience eternal salvation as she is (no doubt) experiencing right now. I hope that we all see you soon - Bob Gonet & Family*
