“ *I remember meeting Judy and Tom at the Allegan Antiques Market with my parents, and seeing all of those cool toys Tom had. But I didn't really know Judy until she came into our lives, and she did so with gusto. Judy had such contagious joie de vivre that she brightened every room she graced. She touched my life deeply, and I miss her sorely. Love, Mike Patterson*

“ *So sorry for our loss of a wonderful lady. I have a few childhood memories of my Dad working with her husband Tom Steiner on the GRFD at 12's Engine House. But I never really got to know Judy and her immediate family until after my Dad brought her into our lives, not long after my Mom died. It took me awhile to adjust, but my Dad and Judy were perfect for each other, and I will miss her greatly.*
