“ *Grandma will be greatly missed. There are so many wonderful qualities that she displayed through her life. She was always someone that I looked up to and deeply loved. One of the most beautiful people I have ever met, in so many ways. Someone who always put you at ease, always kind, very loving, always calm, didn't cause trouble, stood up for what was right, and she loved her family. Grandma was always happy. That is how I will always remember my grandma.*
