“ We would like to send our sincere condolences to Rich, Carron, Mark, Pam, and the rest of June's family and friends. We will all miss her, and we all have such fond memories of June's sparkle, her generosity, and deep faith.
June was such a jewel to bring me home made chicken soup after my heart surgery. We had many fun evenings out with June and Rich, playing bridge, trying new restaurants, and of course....dancing! We even went dancing at the Blue Martini!! June loved it, but she said the music was too loud!!
Rest In Peace, dear June...we will miss you!
Love, Valorie and Pete

She was a lovely lady, always friendly and upbeat. I can still see the

“ Dear Rich and Family, We have known June since I helped her become a Pelican Sound owner 15 years ago. She was such a joy to know with a great sparkle in her eyes and a ready smile and wit. One of our favorite memories was seeing June and Rich glide across the dance floor as they looked dreamily and happily into each other eyes.

We know that June is looking down from Heaven and is joyful to be with her Lord. We pray for comfort and peace for those who are here missing her. in Jesus' name, Sarah Thompson and Mal Griffin

“ How sad we were to hear about June. We spent 10 winters in Florida & saw Richard & June at every event Pelican Sound had. How we loved watching June & Richard dance nearly every dance. I think of all the people we met there in Estero, June & Richard we my favorites. I loved her Smile & her zest for life & her love for Richard. She referred us to Doctor Brown who did our cataract surgeries & we couldn't be more pleased. Another thing I loved about June is her love to dance & she shared with us how she & Richard would dance every nite after dinner I believe in the kitchen. That just warmed my heart as I am a hopeless romantic. How wonderful this world would be if there were more people who could have that Love & happiness. Our hearts are so sad for Richard & June's entire family!

May you treasure all of the special memories of June. Our thoughts & prayers are with you. Our deepest sympathy 😞. Sincerely,
