“ *I grew up with Kathy in North Bellmore, NY and was in and out of her home frequently. I had many opportunities to spend time with Kay and enjoy her company especially in high school. My favorite childhood memory is when she'd come down to the den where we were hanging out and vacuum right under our feet :) She kept a beautiful home! She was a beautiful person <3*

“ *I'll always remember Mrs. Genovese as such a sweet and beautiful neighbor. I'm so glad that we reconnected in recent years and could share messages and photos. From all those exchanges, I know that Mrs. Genovese went to Heaven with a heart full of love from a happy life with her cherished family. God Bless her as she joins the wonderful Mr. Genovese in Heaven. Thinking about the entire family as you go through these difficult times. Love, Gerry Romano*

“ Kay and Angelo will always hold a special place in our hearts and the hearts of all of us here in Bradley Court . They were the heart of our court and when they moved to Florida our court was never the same. They were our adopted parents and grandparents and our cherished friends. After school every day the kids in the court would wait for their Garage door to open and both children and adults alike would go and sit and learn how to play cards, swing a golf club, have a few laughs and a piece of candy or two. Kay and Angelo together again in heaven You will be missed but forever loved and thought of with fondness. ❤️ Always Sue, Al and JoHanna Scardino
