“ To Joe, Joey, Mary Beth, George, Trish and all of the many family members and friends of Chee Chee we send our prayers that you will soon find peace with the loss of cousin Chee Chee. As a child and as an adult she always seemed to be happy. She had health challenges from an early age. She handled those challenges with courage and grace and she will always be a source of strength for the rest of us as we face our own difficulties. Although we live in different states and only cross paths on occasion, we still feel a great sense of loss. Kathy, or Chee Chee as her family knew her, will not soon forget her. All of you are in our prayers. Cousin Joe and Patty Chalovich
