“ *So sorry to hear of Kathy's passing. My name is Karen Berezni Guliani. My parents, Mickey & George Berezni, were great friends of Kathy & Bill in Naples. My parents owned the then Garden Villa Apartments on the corner of 3rd Avenue S. & 5th Street (it is now a private residence) and Mom was active in NAMA too. During my Naples High School years (1969-71) I actually helped Kathy clean at the Caribbean Apartments. I remember earning better than minimum wage! Kathy & Bill were fun and lovely people, and shared lots of fun social and NAMA business times with my folks. Our early years together in Naples were very special times. My Mom & Dad have since both passed (2008 & 2011). For me, after being gone from Naples for over 30 years, my husband & I now live in the beautiful Naples family home my folks built after selling the Garden Villa. Please accept our sincere condolences and know that I share in your wonderful memories of Kathy & Bill. Karen Guliani*
