“ *Kathy,
Your presence changed the world and left it a better place. I will always remember the good times we had camping, playing with the dogs, going out to dinner and laughing and laughing.
You will always be remembered with love.
Enjoy being reunited with your loved ones, friends and many animals that shared your wonderful life.

“ *Dear Kathy what a void your passing will leave in our lives. You were always a very supportive and wonderful friend. We have many great memories of our times together. What a lucky day it was for us when we parked next to each other at the Tampa show. That started a longtime friendship that we will cherish forever. Your new journey began on March 16th and I know God has many new ventures for you. RIP our friend until we meet again. You will be missed. Love you Kat. 🙏*

Dear Harlan, Kat's passing will leave a void, but the love will always continue. We loved living in the "Little House" and having you close by. I am so sorry to know she is gone, but Heaven gained another angel. Her wings were ready even though your heart wasn't. Many healing thoughts and prayers to you and your family during this time of mourning.

Rest In Peace Kat!!
