“ We ALL have much to have thanked Kathy for in her tireless efforts to keep Bonita Springs and especially Bonita Beach sparkling clean. I know how many hours she facilitated the Bonita Beach clean ups. It seems when Kathy and her husband were no longer able to keep up with their regular clean up dates our beach suddenly became emptier. Thank you Kathy. I appreciated all your efforts.

“ *Kathy had a zest for life, standing up for what was right in life, staying in shape, and was the queen of volunteering; loving the interaction with all those who came to know & love her. Kathy had a huge heart, was a gem of a friend and would do anything for anyone in need. I remember telling her I'd be flying down from Seattle for a visit and she immediately wanted me to stay with her instead of paying for a hotel. Wow! I could not have been more appreciative!*

Kathy and her husband, Bob, did everything together, loved their cruises, and once he unexpectedly passed on, life didn't hold the same excitement for her. But she pressed on anyway, continuing to volunteer whenever she could, staying in contact with all the friends she/they had made and holding parties whenever she could, like at Christmas for the colorful boat parade lights. Always a ton of fun! Thank you so much Kathy for all the kind, thoughtful and countless contributions you made in your lifetime! You will be sorely missed and never forgotten! ~ Diane
