“ Dear Lauren and Larry -

My heart is with you both. There was no one like Kay - such solid grace, kindness, beauty and intelligence. I have so many good memories of conversations at the Lake: sharing kittens with her as a little girl and mutual appreciation for Demi Moore's nude pregnancy photo as women! I carry a letter of hers around with me and treasure the wisdom she imparted. She is one of those people who warms my heart at the mere thought of her. My mom adored her. Much love to you as she takes unexpected flight.
