Remember the good memories and hold on to them and your family, you need them and they need you. Time heals all wounds but I know it is too soon. It is OK, there will always be a hole in your heart now but, that is hole represents love. Take care, merry Christmas. Love Janice from work.

“ Kristen was my best friend since first grade. We were very close and stayed in contact everyday even when she moved to Florida. If Kristens's family, Mom, Dad, Todd and Angie are reading this, my family and I are here for you. You guys will always be family to us. I love you all. Stay strong and remember all the good times. ❤️

“ It was sad to hear of Kristen's passing. Kristen was definitely special. She was our server at Pelican Preserve and was awesome. She had a way of treating everyone she served as special. A unique ability. Kristen had a great smile and an even temperament. We hadn't seen her in awhile and missed her. Then we heard the sad news.

To her parents, please know that we lost one of our children, a son at 22 years old twelve years ago and we still miss him dearly and always will and know that there is no closure as those who have never been part of this 'club' can know. You will make it through by remembering Kristen's memories which we are sure are wonderful ones. Take one step at a time to try to deal with her great loss.

“ Hi Ann and Family,
I am sorry it has taken me so long to express my sympathy for Kristen death.
I thought in our last conversation that things were moving up here and I spent my time preparing the house to receive the family; and then grieve here.
Distances are long and my life has been filled with other avenues that I haven't spent the time with family as I ought to have done. email and social media are ways to keep in touch but they are no good for heart felt sorrow. Plans change and rightly so. Remember that I am truly sorry for not staying in closer contact as in times of these. and that you, her and the family have been and will be in my prayers.
I wish you Love and Comfort

“ We were blessed to have met and gotten to know Kristin. We moved to Pelican Perseve in May, and Kristin was one of the first to wait on us. She was so kind and had a sweet personality. She loved to be teased and gave it right back. Little did I know that last Wednesday it would be the last time she would wait on me...life is so very precious and fragile. We at Pelican have lost someone very dear to all.
