“ *Lauren was such a wonderful woman with a huge, caring heart. She was always positive and so happy to see me and always told me how proud she was of me. I knew her practically my whole life and I always considered her and Lee family, and she always made me feel like family. She was taken way too soon but her spirit will live on and her strength, courage, and love will never be forgotten.*

“ Lauren, I'm so grateful we had time together each 'season', and remember fondly our chats on the lanai, with Pepper by your side. We always looked forward to our annual dinner at Manhattan, never dreaming our time was so limited. You were there when we needed you, so willingly helping out. Your bright light has dimmed, but is not gone from our hearts. Love, Patty and Jim

“ Lauren was not only a great friend to Brian and I, but our whole family. We spent vacations, trips together and fun times at each other’s houses over the years. She had a heart of gold and was taken way too soon. She was a fighter with a positive attitude, never complaining about her health problems. We will Miss her so much, but she will always be with us in spirit. Love, Debbie and Brian Lucas

“ I met Lauren when were 15 working as candy girls at the Closter Theater in NJ. She was like no one I'd have ever known. She was bold, fearless, audacious, courageous, mad-cap. You get the picture.

We were cohorts in crime for decades. It's amazing some of the things we got away with!

The other side of Lauren was smart, witty, kind, gracious, caring and fiercely loyal.

I'll miss my friend. I feel the world will be dimmer without Lauren in it.

“ I use to see Lauren almost every week gardening across from her place when I walked my dog, Luna. Lauren loved Luna and would always stop to give her a belly rub! Every time I pass the place where she use to garden I will remember her. Rest In Peace Lauren, and watch over Lee and Pepper.
