“ They say a cousin is someone who sees through you...and still enjoys the show.

Lawrency - that's what Mom always called him - always had a look on his face like he knew exactly what I was up to...and he approved wholeheartedly.

So glad that I got to see him on this side one last time and he was in good spirits, still giving me that look and that knowing smile.

Lawrency's gone on to where there is no more pain - no more battles - and that smile of his isn't crooked any more.

*Keep watching me from over there, Lawrency! I'll try my best to keep making you smile! *blows a kiss**
