“ *I'm so going to miss Larry's casual strolls over to my house with his canine companion, Sandy. He'd always come with a big smile and hug, even toward the end when his body became so fragile. His talks were usually about his daughters and his beautiful wife Jan. He and Jan were so lucky to have found each other when they did, and even though they had some really tough times with health issues, they still managed to love and be kind to one another. We could all take a page from their book. Two blessed hearts as one. I will miss him dearly. Rest in peace and I'll see you soon.*

“ I have known Larry since Junior High and Deerfield High School. He could make people laugh very easily. He always had a smile on his face and was a very well liked guy. He will be very missed.
