“ *What do I remember most? Letitia wearing a tutu to impersonate one of Degas's ballerinas at a meeting of our book club, or her great laugh when I told her that one of her rooster pastel paintings won first prize at our SWFPS member shows. She added joy and laughter to our lives and will be greatly missed.*

“ *Letitia will be personally missed and by all of the SWF Pastel Society. Her enthusiasm and beautiful smile will be remembered. I am saddened to hear and have great memories of her energetic/colorful Rooster at the show in Marco and other beautiful pastels. I can imagine her in Heaven now painting beautiful sunsets and spreading her joy! Gerry Roeder*

“ Letitia was a bright ray of sunshine in our SWFPS (pastel society) and will long be remembered for her vivacious personality and enthusiasm for whatever she was creating. I was so sad to hear of her passing, and greatly surprised at her age as she always seemed perpetually youthful and energetic. My sincerest sympathy to all her family.
