“ *Omasche (as I called her), we will miss you. I know you are in a better place now but it still is so unreal. We had the best phone conversations, and I will sure miss those. Now you are up in heaven and can watch over us. We love you, Tim, Sandra and Meghan.*

“ *Mom was an amazing woman, mother and oma. She was a fighter. She loved her friends and family with all her heart. If anybody needed anything she gave everything she had. She may not be with us here on earth now but she is in our hearts. She is looking after everyone from above. Mom, I love you.*
